SC Ventures FinTech Bridge – Web UI/UX

Standard Chartered Bank – A global community platform to enable connections, promote innovation and facilitate experimentation with digital technologies.

<https://scventures.io/fintechbridge/bridge>

The screenshot displays the SC Ventures FinTech Bridge web interface. At the top, the navigation bar includes the SC Ventures logo (by Standard Chartered), a 'Bridge' link, a 'Community' dropdown menu, an 'Open Innovation' dropdown menu, and a 'Standard Chartered' dropdown menu. The main content area features a user profile for Eleanor Pena, an Intrapreneur, with a circular profile picture and a level indicator showing 'Level 8 - Thought leader' with a progress bar at 8100/10,000. Below the profile, there are tabs for 'About', 'Ideas' (selected), 'Posts', and 'Challenges'. The 'Recent ideas' section shows a post by Eleanor Pena from 2 days ago, titled 'Empowering SMEs for Inclusive World Trade: Unlocking Global Potential'. The post includes a 3D visualization of a globe with a network of lines and nodes, and a text description discussing prejudice and its effects. The post is tagged with 'Global', 'EU', 'Artificial Intelligence / Machine Learning', 'Blockchain', 'Banking', and '... 2 more'. A vertical sidebar on the right contains social media sharing icons for WhatsApp, Email, Facebook, Twitter, LinkedIn, and others.

Empowering SMEs for Inclusive World Trade: Unlocking Global Potential

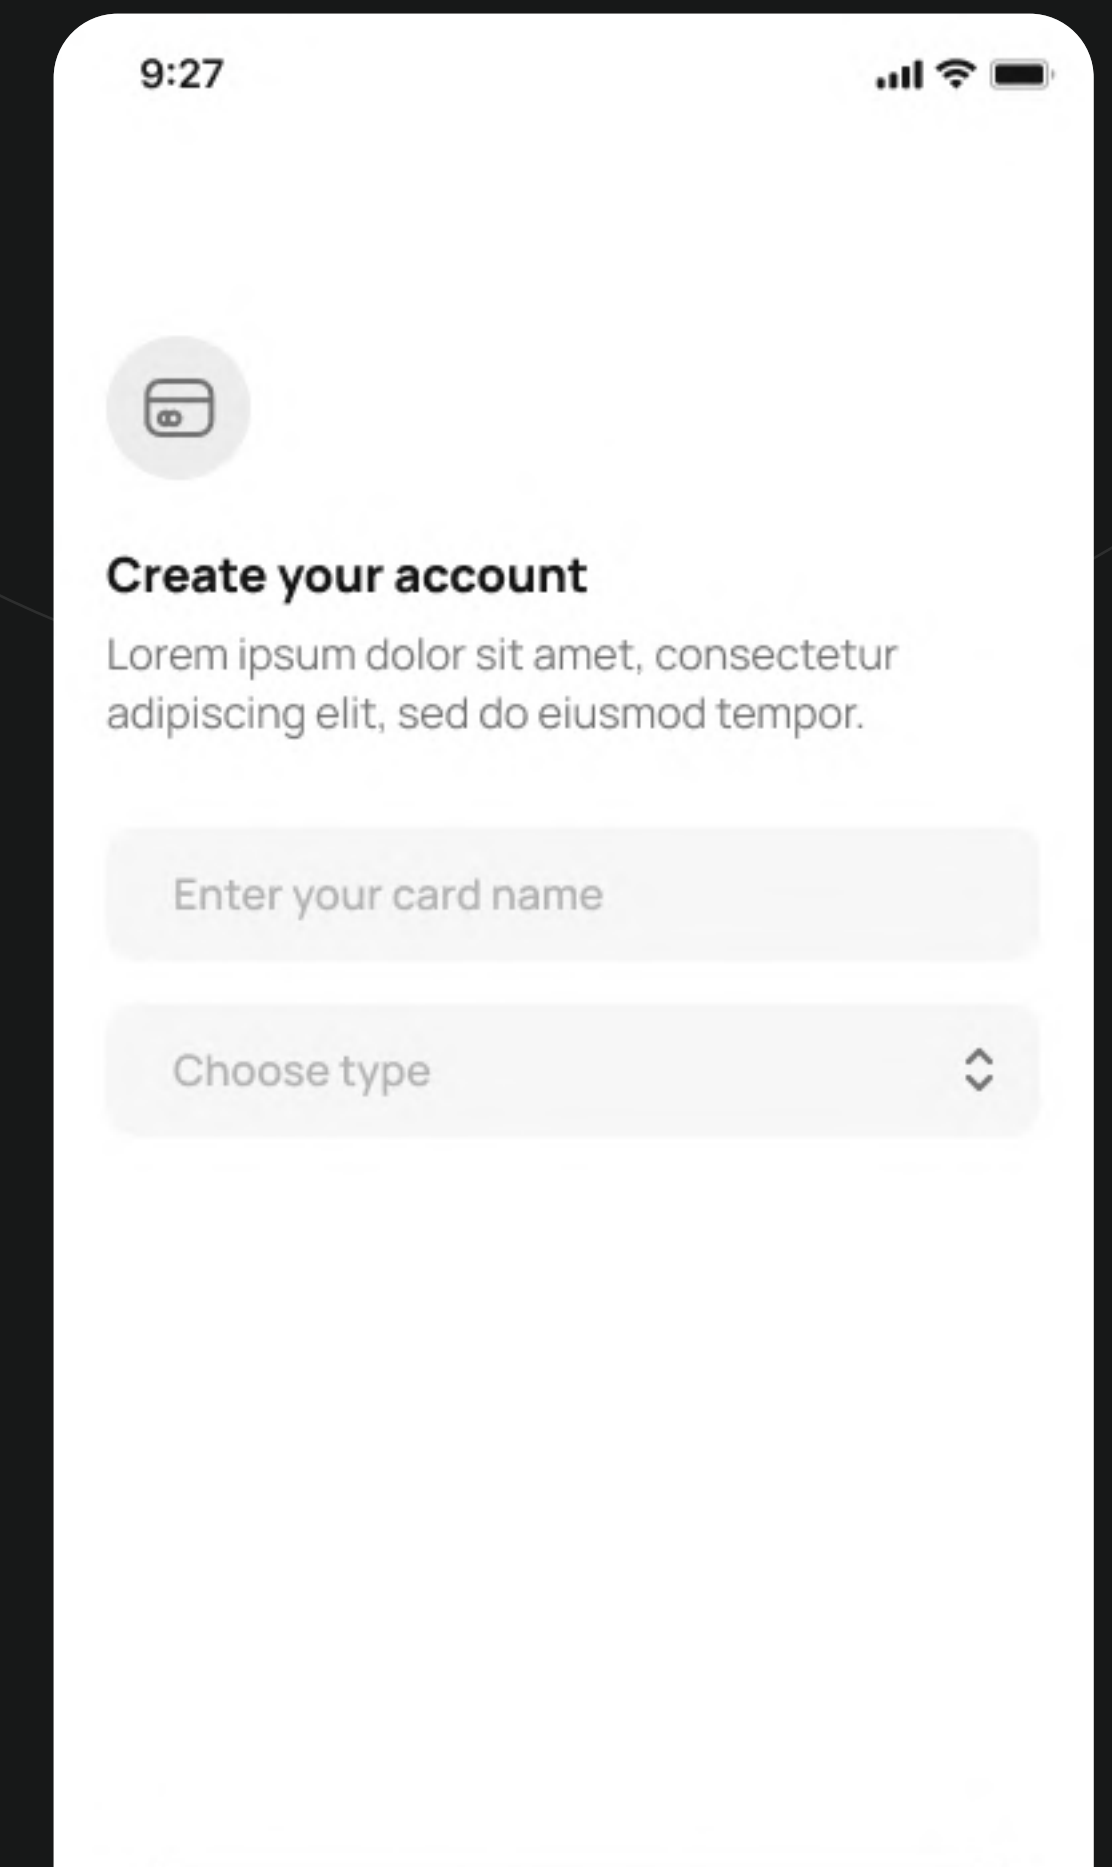

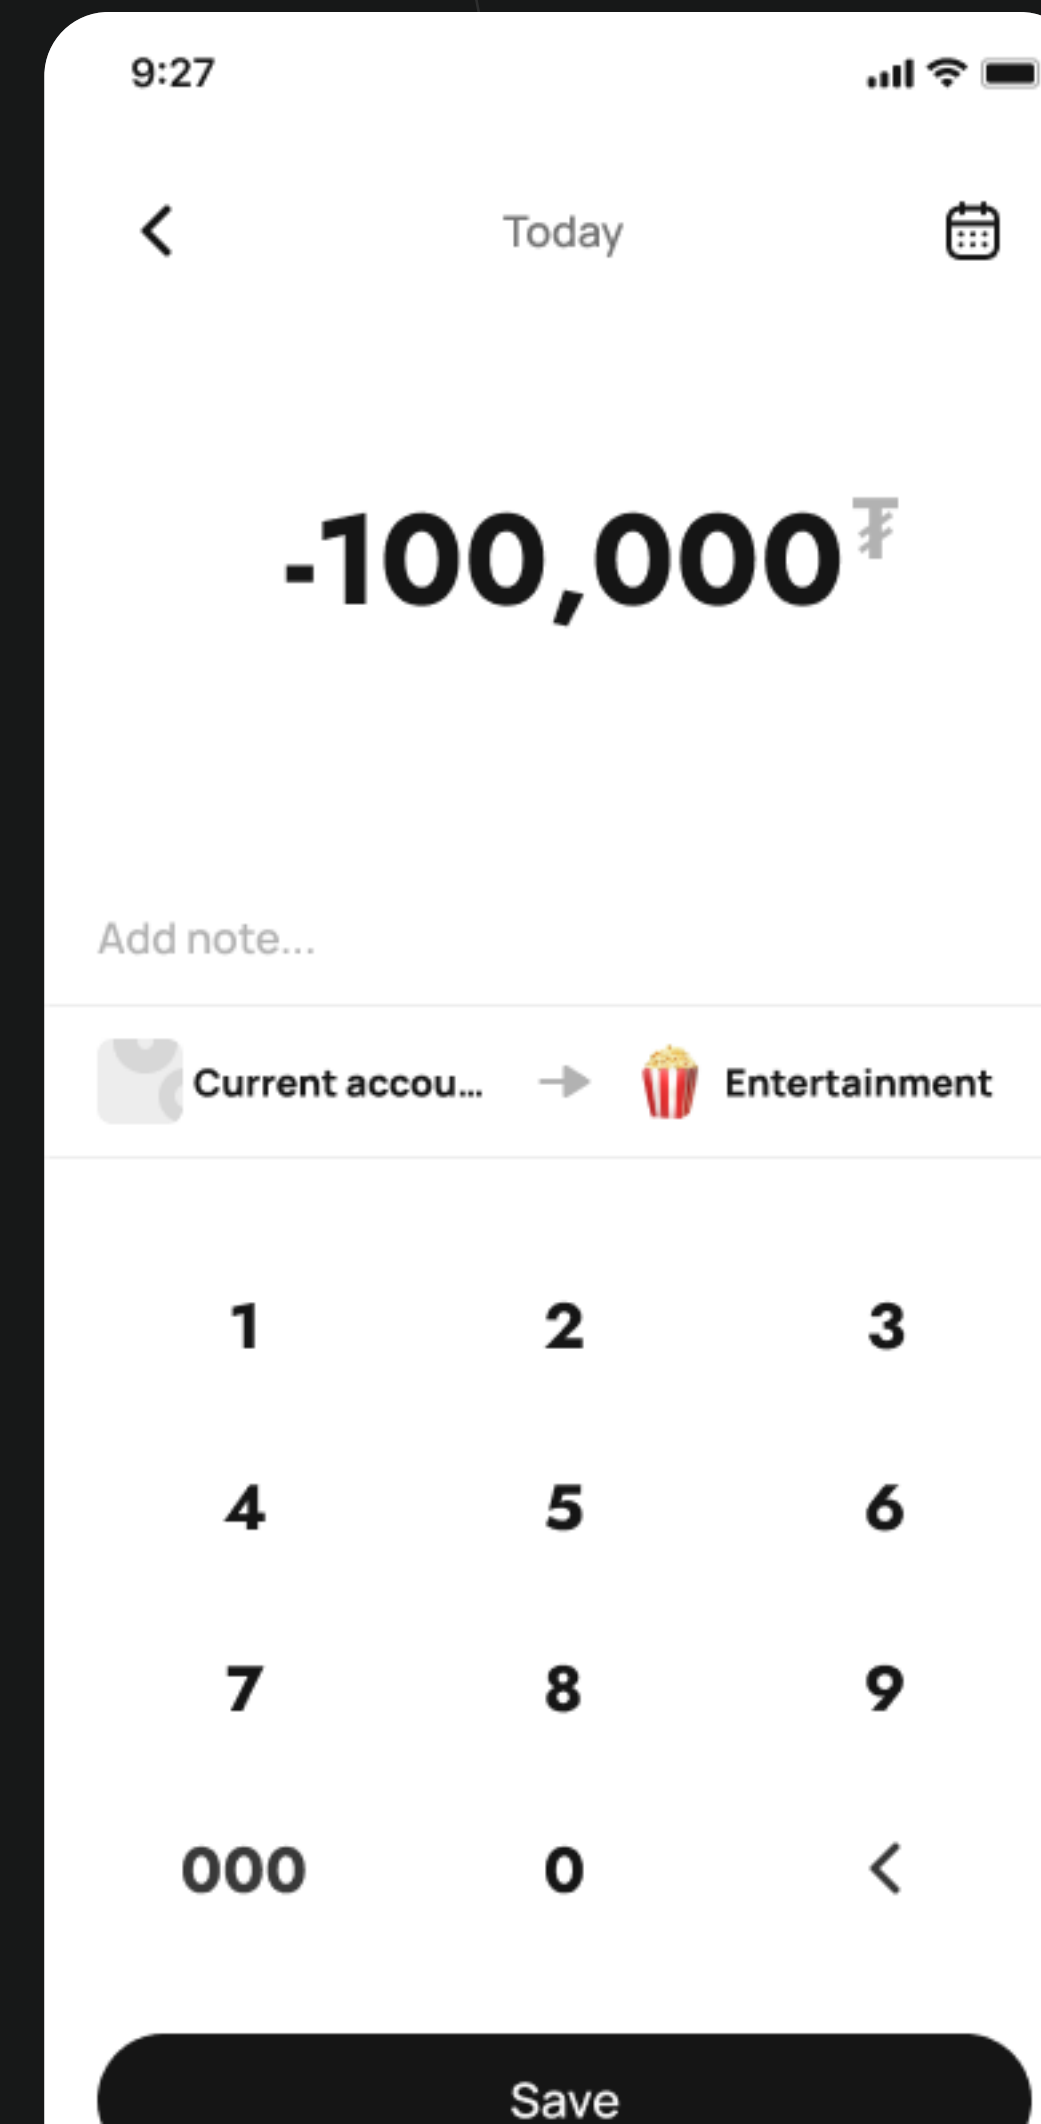

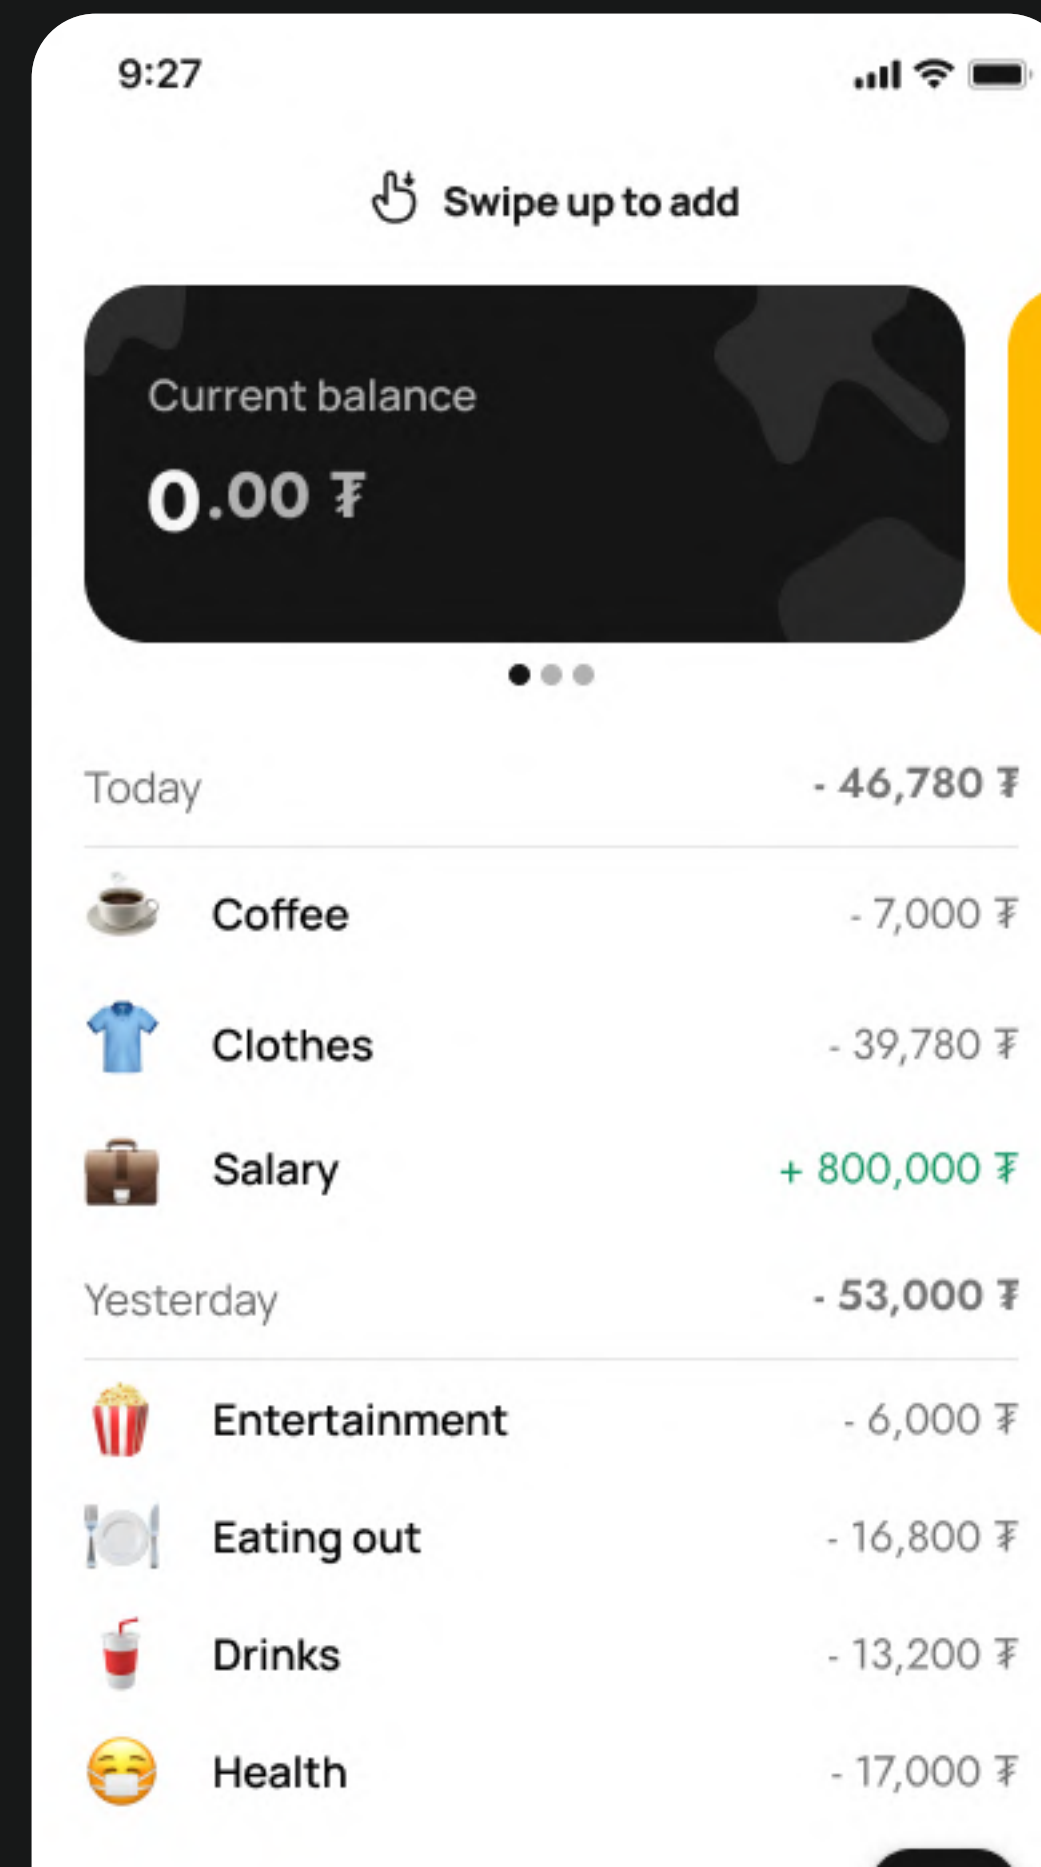

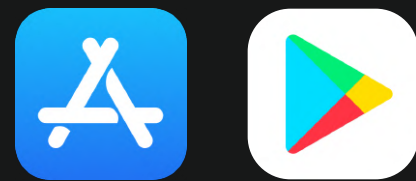

Usually, prejudice is realized through fear, hatred, or even the threat of a shared enemy. It entails biases perpetuated with the intention of helping people assume consolidated power within the society, for them to achieve individual interests that are in most cases quite unconstructive. Past evidence indicates that prejudice and the resulting discrimination have far-reaching effects on the lives of society members. Such affects are apparent in the play The Merchant of Venice, where hatred between different groups of individuals negatively affects healthy co-exist...

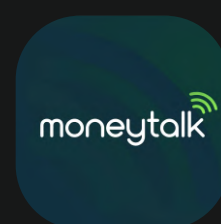

Avdar App – Personal finance

An application for recording and monitoring personal finances.
